WORK EXPERIENCE

Subharti University, Meerut — Junior PHP Developer

Jul 2026 – Present

IT Department · Full-time · Web Development

- Manage and maintain the university's ERP system used across the university and its 100+ affiliated colleges.
- Perform ongoing updates, bug fixes, and feature enhancements on live college websites and the central ERP platform.
- Build new websites for colleges within Subharti University using PHP on the backend with Vue.js and Angular on the frontend.
- Handle end-to-end deployment and hosting of all websites and ERP updates via cPanel.
- Coordinate with individual college departments to gather requirements and roll out updates with minimal downtime.
- Ensure uptime, performance, and security across 100+ live college websites and the university ERP.

Global Matrix Solution, Meerut — Full Stack Web Developer

Aug 2025 – Jun 2026

Full-time · Web Development

- Built production-grade websites end-to-end — responsive frontends to robust Laravel backends with MySQL.
- Designed scalable MVC architectures and integrated REST APIs for dynamic web applications.
- Leveraged AI tools (Google AI Studio, Claude, Lovable) to accelerate development workflows.
- Developed and maintained CRM, CMS, and LMS platforms; performed complete manual testing of all modules.
- Managed source control and CI/CD pipelines using GitLab on live production environments.
- Handled server deployment and configuration via cPanel terminal and Hostinger hPanel.

EDUCATION

Bachelor of Technology (B.Tech) — Computer Science

IIMT University (2021 – 2025)

Built a strong foundation in full-stack development, data structures, algorithms, and software engineering.

PROJECTS

Skills360 — Job Search Platform ([skills360.ai](#))

- Full-featured job searching platform where users can post and apply for jobs with complete workflows.
- Includes user-side and admin dashboard for full control over listings, users, and platform settings.

BillMediSuite — Pharmaceutical Distribution Management System ([BillMediSuite](#))

- Comprehensive Laravel ERP for pharma distributors with GST-compliant invoicing and batch/expiry tracking.
- Features sales hierarchy management and 50+ dynamic business intelligence reports.

DelWell — Mindful Dating & Relationship Wellness Platform ([hellodelwell](#))

- Helps users build meaningful connections through self-discovery quizzes and personalized matching.
- Focuses on emotional growth, compatibility scoring, and better relationship decision-making.
